

House Rules

Our mission at Log Cabins At Jacobs Creek is to provide you, your family and/or friends with clean, comfortable, and safe overnight accommodations at competitive rates. And while we hope to be able to answer every phone call, whether it is for general reservation information or to address any concerns before, during or after your stay in a timely manner, as a small privately owned lodge (similar to a vacation home rental), we do not have around the clock staff and thus kindly and respectfully ask that you abide by the following rules to minimize disruption to the property and other guests during your stay. On most days, calls are answered between 9a and 10p and up to midnight on most weekends.

The following "house rules" are an attempt to ensure a fun, restful and memorable experience for all our guests. Violators will be asked to immediately leave the premises without refunds.
